## Hunton & Williams LLP Privacy Lawyers Receive 'Super Lawyers' Honors

**NEW YORK** — November 2, 2011 — Hunton & Williams LLP congratulates [Aaron P. Simpson](#) and [Mason A. Weisz](#) for their inclusion in *Super Lawyers New York Rising Stars* 2011. Their practices focus on complex privacy and data security matters, including assisting clients with the remediation of large-scale data security incidents and compliance with federal, state, and international privacy and data security requirements.

In addition, for the sixth consecutive year, [Lisa J. Sotto](#), head of the Global Privacy and Data Security practice at Hunton & Williams, was selected as a *New York Super Lawyer*.

“I am so fortunate to have such a talented group of privacy attorneys,” said Lisa J. Sotto. “Aaron and Mason’s recognition in *Super Lawyers* further exemplifies the acumen of our privacy team.”

*Super Lawyers*, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a rigorous multiphased process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area.

### About Hunton & Williams’ Privacy and Data Security Practice

Hunton & Williams’ [Privacy and Data Security](#) practice is a leader in its field and for the fourth consecutive year has been ranked by *Computerworld* magazine in a survey of more than 4,000 corporate privacy leaders as the top law firm globally for privacy and data security. The practice group assists organizations in managing privacy and security risks associated with the collection, use and disclosure of consumer and employee personal information. The firm’s lawyers counsel clients on new and evolving global legal requirements that affect the use of information and work closely with clients to conduct full-scale privacy assessments. Hunton & Williams’ privacy and data protection lawyers understand the global policy issues and business processes that inform the current privacy debate and apply that knowledge in providing legal advice.
