WHEREAS, this Stipulation for Entry of Final Judgment and Permanent Injunction ("Final Judgment") is entered into by Plaintiff, the People of the State of California ("People"), and Defendant Safeway Inc., ("Defendant" or "Safeway") that does and did business in its own capacity and/or through agents, affiliates, and subsidiaries, by their respective attorneys. The People and Defendant shall be referred to collectively as "Parties." The Parties have stipulated and consented to the entry of this Final Judgment prior to trial. The Parties have agreed to settle

the above captioned matter without further litigation, as set forth below.

AND WHEREAS, the Court finds that the settlement between the Parties is fair and in the public interest;

NOW THEREFORE, upon the consent of the Parties, it is hereby ORDERED, ADJUDGED, AND DECREED:

1. JURISDICTION

The Parties stipulate and agree that the Superior Court of California, County of Alameda, has subject matter jurisdiction over the matters alleged in this action and personal jurisdiction over the Parties to this Final Judgment.

The Parties enter into this Final Judgment pursuant to a compromise and settlement of disputed claims, as set forth in the Complaint filed in this action for the purpose of furthering the public interest. The People believe that the resolution embodied in this Final Judgment is fair and reasonable and fulfills the People's enforcement objectives; and that except as provided in this Final Judgment, no further action is warranted concerning the allegations contained in the Complaint. Defendant agrees that this Final Judgment is a fair and reasonable resolution of the matters alleged in the Complaint.

All Parties have stipulated and consented to the entry of this Final Judgment prior to the taking of any proof, and without trial or adjudication of any fact or law herein. The Parties also waive their right to appeal.

3. DEFINITIONS

4. INJUNCTIVE RELIEF

Pursuant to the provisions of Health and Safety Code sections 25181, 25515.6, 118325,

and Business and Professions Code section 17203, and subject to Paragraph 23 below, Defendant shall comply with the Hazardous Waste Control Law, Health and Safety Code Sections 25100-25258.2; Hazardous Materials Release Response Plans and Inventory Law, Health and Safety Code Sections 25500-25520; the Medical Waste Management Act, Health and Safety Code Sections 117600-118360; the Confidentiality of Medical Information Act, Civil Code sections 56-56.37; and the applicable regulations promulgated under these sections, to the extent that these provisions apply to Safeway's business operations at its Open Facilities. Failure to comply with this injunction or any of the specific additional injunctive provisions that follow may subject Defendant to sanctions, including, but not limited to, contempt and/or additional penalties. Paragraph 15, below, applies to any application or motion for failure to comply with the injunctive provisions of this Final Judgment.

4.1 Specific Injunctive Provisions

Defendant shall comply with each of the following provisions at and from the Open Facilities to the extent that these provisions apply to Safeway's business operations at its Open Facilities:

4.1.a Defendant shall not dispose, or cause the disposal, of any hazardous waste at a point not authorized or permitted by the Department of Toxic Substances Control ("DTSC"), in violation of Health & Safety Code Sections 25189, including, without limitation, to any trash compactor, dumpster, drain, sink, or toilet at any of the Open Facilities, or onto the surface or subsurface of the ground at any unauthorized location, or at a landfill or transfer station not authorized to receive hazardous waste.

4.1.b Defendant shall determine, at each Open Facility, whether each item returned by a customer to that facility is "waste" as defined by California Code of Regulations, Title 22, Section 66261.2, and if so, determine if that waste is "hazardous waste," as required by California Code of Regulations, Title 22, Section 66262.11.

4.1.c Defendant shall determine, at each Open Facility, whether each waste generated at that facility as a result of a spill, container breakage or other means rendering the product not usable for its intended purpose, is a "hazardous waste" as required by California

Code of Regulations, Title 22, section 66262.11.

4.1.d Defendant shall manage every hazardous waste so identified pursuant to paragraphs 4.1.a, 4.1.b and 4.1.c in accordance with the requirements of Chapter 6.5 of the Health and Safety Code and its implementing regulations in the California Code of Regulations, Title 22.

4.1.e Defendant shall not transport, transfer custody of, or cause to be transported, any hazardous waste unless the transporter is properly licensed and registered to do so, as required by Health & Safety Code Section 25163. This prohibition includes, without limitation, the transportation of any hazardous waste by a person that is not properly licensed and registered to transport hazardous waste on a tractor and/or trailer owned or operated by Defendant.

4.1.f Defendant shall not transport, or cause to be transported, any hazardous waste to an unauthorized location, in violation of Health & Safety Code Section 25189.5.

4.1.g Defendant shall not transport, or cause to be transported, any item that would be considered hazardous waste in California pursuant to Chapter 11 of Title 22, Division 4.5 of the California Code of Regulations, as part of its "Reverse Logistics" process. For purposes of this paragraph, "Reverse Logistics" is the process of moving goods through the logistics chain from their typical final destination (retail facility) back to the manufacturer or some other third party for the purpose of waste minimization and/or consolidating returned, recalled or other items for the purpose of capturing value, reuse of the items, donation of the items, return to the manufacturer, or for proper disposal as waste. This paragraph forbids Defendant from transporting any hazardous waste item from its retail facilities (which would be the point of generation) to Defendant's distribution centers, and/or from Defendant's retail facilities or distribution centers (which would also be a potential point of generation) to any third party, including but not limited to, the manufacturer or the manufacturer's designated agent.

4.1.h Defendant shall lawfully and timely dispose of all accumulated hazardous waste from each Open Facility at least one time during every ninety (90) day period (unless a longer interval is allowed for by California Code of Regulations Section 66262.34 or other law);

and shall timely cause to be prepared and filed with DTSC a hazardous waste manifest for all hazardous waste that is transported, or submitted for transportation, for offsite handling, treatment, storage, disposal, or any combination thereof, as provided by Health & Safety Code section 25160(b)(3) and California Code of Regulations, Title 22, Section 66262.23; and shall timely notify DTSC by causing to be filed an exception report concerning the treatment, storage, or disposal facility's failure to return any executed manifest.

4.1.i Defendant or Defendant's designated contractor shall contact the transporter and/or the owner or operator of the designated facility which was to receive any hazardous waste to determine the status of the hazardous waste in the event of non-receipt of a copy of the manifest with the handwritten signature of the owner or operator of the designated facility within thirty-five (35) days of the date the waste was accepted by the initial transporter, as provided by California Code of Regulations, Title 22, Section 66262.42.

4.1.j Defendant shall not treat, store, dispose of, transport, or offer for transportation, any hazardous waste without having received and used a proper identification number from the U.S. Environmental Protection Agency or DTSC, for the originating Open Facility, as provided by Title 22 of the California Code of Regulations, section 66262.12, subdivision (a).

4.1.k Defendant shall maintain a program for the lawful storage, handling and accumulation of hazardous waste, and for the lawful segregation of hazardous-waste items that are in leaking containers, as provided by Health & Safety Code section 25123.3 and California Code of Regulations, Title 22, sections 66262.34, 66265.173, and 66265.177.

4.1.l Defendant shall maintain properly designated and designed hazardous waste storage areas, which include the segregation of hazardous wastes, and shall conduct weekly inspections of hazardous waste storage areas, at each Open Facility, as required by California Code of Regulations, Title 22, sections 66262.34 and 66265.174.

4.1.m Defendant shall maintain an employee training program designed to enhance employee awareness of any regulatory or statutory changes in California environmental compliance requirements, including, but not limited to, changes in Chapters 6.5 and 6.95 of

Division 20 of the Health & Safety Code, and of any corresponding changes in Defendant's environmental compliance program(s). Defendant shall also comply with all requirements of California Code of Regulations, Title 22, section 66265.16, regarding training employees to handle hazardous waste, including, but not limited to, retention of training records for the requisite time period for current and former employees.

4.1.n Defendant shall have in place at all times a hazardous waste contingency plan and emergency procedures for each Open Facility if required by California Code of Regulations, Title 22, Sections 66262.34, and 66265.51 through 66265.56.

4.1.o Defendant shall, at each Open Facility, continuously implement, maintain, and submit to the responsible "unified program agency" (as defined in Health and Safety Code section 25501), a complete hazardous materials business plan, as required by Health and Safety Code Section 25507 and California Code of Regulations, Title 19, Section 2729 [Minimum Standards for Business Plans], as applicable. Each hazardous materials business plan shall include procedures for emergency response to a release or threatened release of hazardous materials, as required by Health and Safety Code Sections 25505 and 25507. Such plan shall also include an employee training program that meets the requirements of Health and Safety Code Section 25505 subdivision (a)(4), and California Code of Regulations, Title 19, Section 2732 [Training].

4.1.p Defendant shall immediately report any release or threatened release of a reportable quantity of any hazardous material from any Open Facility into the environment, as required by Health and Safety Code section 25510.

4.1.q Defendant shall prepare, or cause to be prepared, hazardous waste manifests, as required by Health and Safety Code Sections 25160(a) and (b), 25160.2(b)(3) and California Code of Regulations, Title 22, Section 66262.40(a), as applicable.

4.1.r Defendant shall maintain a copy of each hazardous waste manifest signed in accordance with Title 22 of the California Code of Regulations section 66262.23(a), for three (3) years, or until the generator received a signed copy from the designated facility which received the hazardous waste, as provided by California Code of Regulations, Title 22, section

66262.40(a).

4.1.s Defendant shall properly manage, mark, and store universal waste in compliance with the standards for universal waste management found in California Code of Regulations, Title 22, Sections 66273.1 et seq., as applicable.

4.1.t Defendant shall keep a record with the information required by Title 22 of the California Code of Regulations section 66273.39, subdivisions (a)-(c) of each shipment, if any, of universal waste either received at or sent offsite from, any Open Facility.

4.1.u Defendant shall comply with the California Medical Waste Management Act, Health and Safety Code sections 117600, et seq.

4.1.v Defendant shall not knowingly cause to be deposited, without the permission of the owner, any hazardous substance upon the land of another, in violation of Penal Code section 374.8, subdivision (b).

4.1.w Defendant shall maintain and enhance, as necessary, its program for the destruction of, customers' records within its custody or control which contain confidential medical information that is no longer to be retained by the business in a manner that preserves the confidentiality of the information contained therein, as required by California Civil Code Section 56.101.

4.2 Reverse Distribution of Pharmaceuticals

4.2.a Beginning no later than June 1, 2015, Defendant shall work with or continue working with appropriate stakeholders from business and government, including the U.S. Environmental Protection Agency, the U.S. Food and Drug Administration, the California Department of Public Health and DTSC, either directly or through trade associations or informal coalitions of interested parties, undertaking to promote federal regulatory reform regarding the proper management of non-dispensable pharmaceuticals, including over-the-counter medications, through "reverse distribution." For purposes of compliance with this Paragraph, at a minimum this work shall include quarterly communication with counsel or appropriate compliance personnel for CVS Pharmacy Inc. and Albertsons, LLC, or any three other retailers of Safeway's choosing, related to ongoing efforts of state and national non-dispensable

pharmaceutical regulatory reform. Such work may also include coordination and communication with national retail trade associations. Progress on such work shall be included in the status reports required by Paragraph 22 below.

4.2.b During the term of this Final Judgment, the People shall only pursue a violation of this Final Judgment or applicable law regarding the reverse distribution of pharmaceuticals if Defendant is unable to demonstrate reasonable diligence in performing work on the federal regulatory reform described in subparagraph 4.2.a above. Nothing herein shall prevent the People from pursuing appropriate enforcement of this Final Judgment or applicable law regarding the reverse distribution of non-dispensable pharmaceuticals for acts or omissions in violation of applicable law occurring on or after ninety (90) days following receipt by Defendant of written notice as provided by Paragraph 8 of the People's intent to do so. The Parties shall attempt to resolve any such dispute by means of good faith informal negotiations.

4.2.c For the purpose of this Paragraph, "pharmaceuticals" shall have the same meaning as "drug" as defined by the Federal Food, Drug, and Cosmetic Act, 21 USC §321(g).

5. CIVIL PENALTIES, SUPPLEMENTAL ENVIRONMENTAL PROJECTS, COSTS, AND ENHANCED ENVIRONMENTAL COMPLIANCE EFFORTS

In consideration of Defendant's efforts to implement an improved company-wide retail hazardous/unsalable product waste program, Defendant shall, in accordance with this Final Judgment, pay the below Civil Penalties, fund the Supplemental Environmental Projects provided for in this Final Judgment, and pay partial costs, in the total amount of Nine Million Eight Hundred and Seventy Thousand Dollars (\$9,870,000). Said payments may be made by business or cashier's check and shall be made as set forth in paragraphs 5.1 and 5.4 below. Within twenty-one (21) business days of the date of entry of this Final Judgment, Defendant shall ensure all required payments have been made in accordance with the instructions in Exhibits C, D and E, and delivered to the District Attorney's Office for the County of Alameda, Attention: Kenneth A. Mifsud, Assistant District Attorney, for distribution pursuant to the terms of this Final Judgment.

5.1 Civil Penalties

5.1.a Defendant shall pay Six Million Seven Hundred and Twenty Thousand Dollars (\$6,720,000) as civil penalties for alleged violations of the above-referenced laws, pursuant to Health and Safety Code sections 25189 and 25515 and Business and Professions Code section 17206, to the prosecuting agencies/regulatory agencies identified in, and in accordance with the terms of, Exhibits C-1 and C-2, attached.

5.2 Supplemental Environmental Projects

Defendant shall pay **Two Million Dollars (\$2,000,000)** for supplemental environmental projects identified in, and in accordance with the terms of, Exhibit D, attached.

5.3 Enhanced Environmental Compliance Efforts

Defendant agrees to continue to work toward and maintain innovative improvements in its computerized hazardous waste classification scanning programs installed at all stores and distribution centers identified in Exhibit B-1 (Open Facilities). In addition, Defendant agrees to continue their First Assistant Store Manager Program designed to address environmental compliance at the store level. Defendant agrees to conduct annual dumpster audits by means and methods to be determined by Defendant, but each audit shall constitute at least 10% of the then currently operating stores and distribution centers identified in Exhibit B-1 per year, for a period of five (5) years from the date of execution of this Agreement. Defendant will provide notice to the People by notifying Kenneth A. Mifsud using the email address listed in Paragraph 8 below, at least two days in advance of each annual audit that is conducted for the purpose of compliance with this Paragraph, and allow the People the opportunity to attend and observe each such dumpster audit. Defendant will provide the results (including any and all photographs taken) to the People as part of the annual Status Report as set forth in Paragraph 22.

5.4 Reimbursement of Partial Costs of Investigation and Enforcement

Defendant shall pay One Million One Hundred and Fifty Thousand Dollars (\$1,150,000) for partial reimbursement of attorney's fees, costs of investigation, and other costs of enforcement, to the entities identified in, and in accordance with the terms of, Exhibits E-1

and E-2, attached.

6. ENFORCEMENT OF FINAL JUDGMENT AND PENALTIES

The People may move this Court for additional relief for any violation of any provision of this Final Judgment including, but not limited to, contempt, additional injunctive provisions, or additional penalties consistent with the provisions of this Final Judgment. Unless otherwise set forth herein, nothing in this Final Judgment shall limit any rights of the People to seek any other relief or remedies provided by law. Further, unless otherwise set forth herein, nothing in this Final Judgment shall limit the rights of Defendant to defend against any request of the People for such other relief or remedies, including, but not limited to, contempt, additional injunctive provisions, or additional penalties for violation of this Final Judgment.

7. MATTERS COVERED BY THIS FINAL JUDGMENT

7.1 This Final Judgment is a final and binding resolution and settlement of all claims, violations or causes of action expressly alleged by the People in the Complaint, or claims that could have been asserted within the scope of the allegations set forth in the Complaint (“Covered Matters”), against Defendant and its current or former parents, subsidiaries, and affiliates, and each of their subsidiaries, affiliates, California Facilities, successors, heirs, assigns, and each of their respective officers, directors, shareholders, partners, employees, agents, representatives, members, managing members, managers, property owners, board members, and facility operators (“Entities Covered by Final Judgment”). The People further covenant not to sue the Entities Covered by this Final Judgment for any Covered Matter. Any claim, violation, or cause of action that is not a Covered Matter is a “Reserved Claim.” Reserved Claims include, without limitation, any violation that occurs after the execution of this Agreement. The People reserve the right to pursue any Reserved Claim, and Defendant reserves its defenses against any Reserved Claim.

7.2 Any claims or causes of action by the People against Defendant for performance of cleanup, corrective action, or response action for any actual past or future release, as defined in Paragraph 3, of hazardous waste or hazardous substances, universal waste, sharps waste, pharmaceutical waste, or any other material, substance, or waste, that were caused

or contributed to by Defendant at or from its California Facilities, and any claims or causes of action for performance of cleanup, corrective action, or response action relating to Defendant's disposal of the same that are discovered by the People after execution of this Agreement are Reserved Claims.

7.3 In any subsequent action that may be brought by the People based on any Reserved Claim, Defendant agrees that it will not assert that failing to pursue the Reserved Claim(s) as part of this action constitutes claim-splitting. This Paragraph does not affect any statute of limitations, if any, which may be applicable to any Reserved Claim(s) otherwise excluded from this Final Judgment and does not prohibit Defendant from asserting any statute of limitations or other legal or equitable defenses that may be applicable to any Reserved Claim(s).

7.4 In the event litigation is filed by an entity that is not a party to this action against Defendant or any affiliates arising out of or related to a Covered Matter, Defendant may, within thirty (30) days following service of such litigation, notify the People of such litigation. Upon such timely notice, the People will undertake a good faith effort to determine whether the subsequent litigation is barred by the terms of this Final Judgment and the principle of *res judicata*. If the People determine that the subsequent litigation is barred by the terms of this Final Judgment and the principle of *res judicata*, the People may appear in person or in writing in such subsequent litigation to explain the People's view of the effect of this Final Judgment on such litigation and the People will not oppose Defendant in arguing that the subsequent litigation is barred by the principle of *res judicata*. No language in this paragraph will preclude Defendant from asserting in any subsequent litigation any and all applicable legal and equitable defenses regarding compliance with any provision in this Final Judgment or the laws or regulations cited in this Final Judgment or cited in the Complaint, including, but not limited to, *res judicata*.

7.5 The provisions of paragraph 7.1 are effective on the date of entry of the Final Judgment. The continuing effect of paragraph 7.1 is expressly conditioned on Defendant's full payment of the amounts due under this Final Judgment as set forth in Paragraph 5.

7.6 Paragraph 7.1 does not limit the ability of the People to enforce the terms of this Final Judgment.

7.7 Defendant covenants not to pursue any civil or administrative claims against the People or against any agency of the State of California, any county or city in the State of California or any CUPA, Participating Agency or local agency (collectively "Agencies"), or against any of their officers, employees, representatives, agents or attorneys, arising out of or related to any Covered Matter; provided, however, that if any Agencies initiate claims against Defendant, Defendant reserves any and all rights, claims, demands and defenses against such Agencies.

7.8 Any event that is beyond the control of Defendant and that prevents it from timely performing any obligation under Paragraphs 4 and 5 of this Final Judgment, despite its best efforts to fulfill that obligation, is a "force majeure" event. The requirement that Defendant exercise its "best efforts to fulfill the obligation" includes the requirement that Defendant use its best efforts to anticipate any potential force majeure event and use best efforts to address the effects of any potential force majeure event: (1) as it is occurring, and (2) following the force majeure event, such that the delay is minimized to the greatest extent possible. "Force majeure" does not include financial inability to fund or complete the obligation.

Any Party may change its notice name and address by informing the other Party in writing, but no change is effective until it is received. All notices and other communications required or permitted under this Final Judgment that are properly addressed as provided in this paragraph are effective upon delivery if delivered personally or by overnight mail, or are effective five (5) days following deposit in the United States mail, postage prepaid, if delivered by mail, or the day that electronic mail is sent if sent before 5 p.m. Pacific time to the electronic mail addresses of the designated recipients for notice concurrent with sending the notice by overnight mail.

9. EFFECTS OF FINAL JUDGMENT

Except as expressly provided in this Final Judgment, nothing in this Final Judgment is intended nor shall it be construed to preclude the People, or any state, county, or local agency, department, board or entity, or any CUPA, from exercising its authority under any law, statute or

regulation. Except as expressly provided in this Final Judgment, Defendant retains all of its defenses to the exercise of the aforementioned authority.

10. LIABILITY OF THE PEOPLE

The People shall not be liable for any injury or damage to any person or property resulting from any act or omission by Defendant, or any of its directors, officers, employees, agents, representatives or contractors, in carrying out activities pursuant to this Final Judgment, nor shall the People be held as a party to or guarantor of any contract entered into by Defendant, its directors, officers, employees, agents, representatives or contractors, in carrying out the requirements of this Final Judgment.

11. NO WAIVER OF THE RIGHT TO ENFORCE

The failure of the People to enforce any provision of this Final Judgment shall neither be deemed a waiver of such provision nor in any way affect the validity of this Final Judgment. The failure of the People to enforce any such provision shall not preclude them from later enforcing the same or any other provision of this Final Judgment, subject to Paragraph 23. Except as expressly provided in this Final Judgment, Defendant retains all defenses allowed by law to any such later enforcement. No oral advice, guidance, suggestions or comments by employees or officials of any Party regarding matters covered in this Final Judgment shall be construed to relieve any Party of its obligations under this Final Judgment.

12. FUTURE REGULATORY CHANGES

Nothing in this Final Judgment shall excuse Defendant from meeting any more stringent requirement that may be imposed by applicable law or by any change in the applicable law. To the extent any future statutory or regulatory change makes Defendant's obligations less stringent than those provided for in this Final Judgment, Defendant may comply with those laws that require less stringent obligations in lieu of those set forth herein.

13. APPLICATION OF FINAL JUDGMENT

This Final Judgment shall apply to and be binding upon the People and upon Defendant and its officers, directors, managers, employees, agents, successors and assigns. Nothing in this Final Judgment shall create personal liability for Defendant's current or former officers,

directors, shareholders, partners, board members, employees, agents, representatives, members, managing members, managers, property owners or facility operators in their individual capacity.

14. AUTHORITY TO ENTER FINAL JUDGMENT

Each signatory to this Final Judgment certifies that he or she is fully authorized by the Party he or she represents to enter into this Final Judgment, to execute it on behalf of the Party represented, and to legally bind that Party.

15. CONTINUING JURISDICTION

The Court shall retain continuing jurisdiction to enforce the terms of this Final Judgment and to address any other matters arising out of or regarding this Final Judgment. The Parties shall meet and confer at least ten (10) days prior to the filing of any application or motion relating to this Final Judgment and shall negotiate in good faith in an effort to resolve any dispute without judicial intervention; provided, however, that the ten (10) day period referenced above shall be shortened to five (5) days regarding any alleged violation of paragraph 4.1.a of this Final Judgment. If the Parties are unable to resolve their dispute after meet-and-confer discussions, any Party may move this Court seeking a resolution of that dispute by the Court.

16. ABILITY TO INSPECT AND COPY RECORDS AND DOCUMENTS

On reasonable notice, Defendant shall permit any duly authorized representative of the People to inspect and copy records and documents as they deem reasonably necessary to determine compliance with the terms of this Final Judgment. Nothing in this Paragraph is intended to require access to or production of any documents that are protected from production or disclosure by the attorney-client privilege, attorney work product doctrine, any other applicable privilege, defense, exemption, or immunity afforded to Defendant under applicable law, nor does it waive any of the objections or defenses to which Defendant would be entitled in responding to requests for documents made by subpoena or other formal legal process or discovery. This obligation shall not require Defendant to alter its normal document-retention policies (including, but not limited to, policies regarding backup tapes for electronic documents); provided, however, that Defendant's policies must comply with Health and Safety Code Chapters 6.5 and 6.95; Health and Safety Code sections 117600, *et seq.*; Civil Code sections 56,

et seq., and their implementing regulations as applicable, to the extent those provisions apply to Defendant's California Facilities. The Parties agree that Defendant will not be deemed in violation of this Paragraph for failure to maintain such records unless Defendant fails to exercise reasonable diligence in administering this record retention requirement. Nothing in this Paragraph is intended to limit the authority of any governmental agency to inspect Defendant or its records and documents under applicable law.

17. PAYMENT OF LITIGATION EXPENSES AND FEES

Neither Party has any obligation to pay the other's fees and costs incurred in connection with this matter, and each Party shall bear its own attorneys' fees and costs other than as provided in Paragraph 5 of this Agreement.

18. INTERPRETATION

This Final Judgment was drafted equally by all Parties. The Parties agree that the rule of construction holding that ambiguity is construed against the drafting party shall not apply to the interpretation of this Final Judgment.

19. COUNTERPART SIGNATURES

This Final Judgment may be executed by the Parties in counterpart and signed and delivered by e-mail or facsimile, which signatures shall have the same force and effect as an original signature.

20. INTEGRATION

This Final Judgment constitutes the entire agreement between the Parties and may not be amended or supplemented except as provided for herein. No oral representations have been made or relied upon other than as expressly set forth herein.

21. MODIFICATION OF FINAL JUDGMENT

This Final Judgment may be modified only on noticed motion by one of the Parties with approval of the court, or upon written consent by all of the Parties and the approval of the court.

22. STATUS REPORTS

Beginning six (6) months after entry of this Final Judgment, for as long as this Final Judgment remains in effect, Defendant shall submit an annual status report to the People's

representative listed in Paragraph 8 above. The status report shall: (1) briefly summarize the actions that Defendant has taken during the previous year to comply with its obligations under Paragraph 5 of this Final Judgment including, but not limited to, detailed information and evidence of expenditures for the enhanced environmental compliance efforts made by Defendant as required under Paragraph 5.3 of this Final Judgment and the results of the dumpster audits conducted by Defendant as set forth in Paragraph 5.3; (2) disclose and provide copies of any notices of violation that Defendant has received in the preceding year pertaining to the environmental matters addressed in this Final Judgment at its California Facilities, and disclose any corrective measures taken as a result; (3) set forth any penalties Defendant has paid to any CUPA in the preceding year for alleged noncompliance with any of the aforementioned environmental statutes or regulations arising from its California Facilities; and (4) update the list of Open Facilities subject to this injunction and those facilities that have closed, due to any activity in the prior year (the current state of those lists is reflected in Exhibit B-1 and B-2 to this Final Judgment, respectively). Each status report shall be signed by an officer or corporate level manager of Defendant authorized by Defendant to sign under penalty of perjury that to the best of his or her knowledge based on information and belief and after reasonable investigation the information contained therein is true and correct. Further, beginning one (1) year after entry of this Final Judgment, and continuing for as long as this Final Judgment remains in effect, Defendant shall, at the People's request, on an annual basis, meet to describe to the People's representatives the status of Defendant's compliance with Paragraphs 4, 4.1, 4.2 and 5.3 of this Final Judgment, and any reverse logistics program Defendant may have in place. This meeting requirement may be satisfied by either an in-person meeting or a telephone conference at either Party's election.

23. TERMINATION OF FINAL JUDGMENT

At any time after this Final Judgment has been in effect for five (5) years, and Defendant has paid any and all amounts due under the Final Judgment as set forth in Paragraph 5, any Party may provide notice to the Court, which shall be served on the other Party as well, that the injunctive provisions of this Final Judgment should expire and have no further force and effect

("Notice of Termination"). The injunctive provisions of this Final Judgment will be of no further force or effect sixty (60) days thereafter, unless the People file a motion contesting the expiration of any injunctive provisions within forty (40) days of receipt of the Notice of Termination. In the event that such motion is filed, none of the injunctive provisions of the Final Judgment contested in the People's motion will terminate pending the Court's ruling on the motion. The People reserve the right to contest termination exclusively on the grounds that Defendant has not substantially complied in all material respects with the injunctive provisions of Paragraphs 4.1 and 4.2 of the Final Judgment, and to offer any evidence relevant to such motion. Defendant reserves its rights to respond to any ground raised in the People's motion and to offer any evidence relevant to such motion. The injunctive provisions in the Final Judgment will expire and be of no further force or effect unless the Court (upon consideration of the Parties' pleadings and arguments, if any) determines that the expiration of the provision at issue would not be in the interest of justice, because Defendant has not substantially complied in material respects with the provision of paragraph 4.1 of the Final Judgment. The termination of the injunctive provisions of the Final Judgment shall have no effect on Defendant's obligation to comply with the requirements imposed by statute, regulation, ordinance, or law.

IT IS SO STIPULATED.
